

Have you or someone you loved survived a heart attack?

Join us for community STEMI* night Feb. 26!

** ST Elevation Myocardial Infarction, also known as a heart attack.*

- ♥ Tour our Catheterization Lab (“Cath Lab”)
- ♥ Meet staff and an interventional cardiologist
- ♥ Learn more about reestablishing blood flow to the heart
- ♥ Participate in a case review
- ♥ And more!

This is a rare glimpse “behind the scenes” where visitors are usually not allowed.
Learn how to register. ▶
