

Cardiology Grand Rounds

Thursday, Jan. 19, 2023

7 to 8 a.m.

Salem Hospital Campus,
Building B basement; Wedel Auditorium
(Virtual attendance is also available through Teams
Meeting)

The Atrial Fibrillation Clinical Spectrum

Presented by:

Eric Putz, MD

Learning Objectives:

After attending this education, participants will be able to identify:

1. The pathophysiology of atrial fibrillation from an electrophysiology standpoint;
2. The most common co-morbidities associated with atrial fibrillation and it's management;
3. Rhythm control versus rate control strategies, how to decide?; and
4. Strategies for prevention of thromboembolic events.

Target Audience:

All providers in Salem Health including cardiologists, Adult Hospitalists, Emergency Medicine, Critical Care, Nurses and any provider who would be caring for cardiac patients.

Accreditation:

The Salem Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Salem Health designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
