Quality medicine doesn't just happen: It is the culmination of an enduring commitment to innovation, excellence and personalized care.

WE ARE PLEASED TO ANNOUNCE THAT
Pacific Pathology Associates has joined paths
with Sonic Healthcare USA as part of the
Anatomic Pathology Division.

We are led by premier pathologists, united under the shared objectives of Medical Leadership, working in a network of clinical laboratories and pathology practices across the U.S. Our team of nearly 400 pathologists provides a comprehensive range of diagnostic medicine and subspecialty expertise with millions of patients served. Together, we bring our personalized pathology services closer to you than ever before to better serve your patients.
