5th Annual Diabetes Symposium for Primary Care

Interactive Case-Based Adult Learning
Come prepared to be actively involved

Oct. 11, 2019
8 a.m. to 4 p.m.

Oregon Garden
Silverton, Oregon

Learning Objectives

1. Identify best practices for managing prediabetes.
2. Identify best practices for beginning and advancing insulin in a Type 2 diabetic patient.
3. Define best practice for insulin pump therapy management and continuous glucose monitoring.
4. Recognize the effects of bariatric surgery on a diabetic patient.

Accreditation

Salem Health is accredited by the Oregon Medical Association to sponsor continuing medical education for physicians.

Salem Hospital designates this live activity for a maximum of 6 hour(s) *AMA PRA Category 1 Credit(s)*TM. Physicians should only claim credit commensurate with the extent of their participation in this activity.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Target Audience:

Primary care providers in Salem, Oregon and surrounding areas, as well as pharmacist, RNs and RDs that work with people who have diabetes.
