Welcome to Salem Health West Valley

Salem Health West Valley offers quality inpatient and outpatient services to people of all ages in the Polk County area. With easy access, timely response and a caring attitude, we offer care close to home.

Emergency services

Our emergency department handles emergencies 24/7. If you are ill or injured, we're here for you with short wait times, in-house imaging and lab services, and our experienced medical team.

Dallas: 503-623-8301

Imaging services

Our hospital in Dallas offers all-digital diagnostic imaging services. With your physician's referral, we provide bone densitometry, CT scan, fluoroscopy, mammography, ultrasound, X-ray and MRI services. Check out our private, comfortable mammography suite.

Dallas: 503-623-7302

Rehabilitation services

We provide rehabilitation services with expertise in physical therapy, occupational therapy, speech therapy and aquatic therapy. Let us help you get moving again!

Dallas: 503-623-7305

Monmouth/Independence: 503-838-1388

Laboratory services

Our fully accredited lab provides collections and testing, including drug and paternity tests. Health care provider referral is required. Appointments are not required.

Dallas (open 24 hours): 503-623-7303

Monmouth/Independence: 503-838-1388

Heart health

With a provider referral, we provide heart diagnostic services including electrocardiograms (EKG), cardiac stress tests, holter monitors and echocardiograms. We partner with our hospital in Salem for additional heart care treatment. Cardiologists Raghu Kamineni, MD; William Stiles, MD; and Kevin Thompson, MD; see patients at our hospital in Dallas for follow-up appointments.

Dallas: 503-623-7304

Preventive care

With a proactive health care approach, our providers care for the entire family with immunizations, lifestyle counseling, gynecological exams, skin care, cancer screenings and more.

Dallas: 503-623-7301

Monmouth: 503-838-1182

Independence: 503-838-0045

Surgical care

Without having to travel far, you can access our Dallas hospital's inpatient and outpatient surgical

services with referral. We offer surgery for breast cancer, gallbladder, hernia repair, appendectomy, colonoscopy, and cataracts as well as urological, orthopedic, and podiatry disorders.

Dallas: 503-831-0784

Infusion and wound clinic

Our infusion and wound clinic offers a variety of outpatient services seven days a week. These services include, but are not limited to, blood transfusions, intravenous antibiotic therapy, hydration, central line care, wound care, wound vac therapy and a variety of injections. The services require a provider referral.

Dallas: 503-831-3450

Anticoagulation clinic

The anticoagulation clinic is open Monday through Friday with limited weekend hours for patients receiving injections. Services include, but are not limited to, warfarin dosing, patient education, and low molecular weight heparin management for patients having surgery or a procedure.

Dallas: 503-917-2013

Other services

The hospital serves inpatients for illnesses including pneumonia and infections and for post-surgical observation or pain control. We also provide language interpreter, nutrition and diabetes education.

Connections van service

Funded in part by the hospital foundation, volunteer drivers provide free non-emergency transportation to and from your medical services. The van is wheelchair accessible. Call at least 24 hours prior to your appointment to schedule.

Polk County: 503-831-3474
